- Bag/Cartridge **Dry Dust Collectors**
- NFPA Compliant **Wet Dust Collectors**
- REDClean® & **Replacement Filters** (Cartridges, Pleated Bags, Bag Filters)

- **Steam Turbine Generator Sets**
- Steam Turbine **Mechanical Drives**

- Turbine Exhaust, Intake & **SCR/Catalyst Systems**
- **Acoustic Buildings/Barriers & Ventilation Systems**
- **Noise Control** Equipment, **Silencers**, & Retrofits

- **Pond Atomizers** up to 720 GPM

- **Evaporators & Concentrators** up to ZLD

- **Diesel & Natural Gas Generators (8-2000kW)**
- **Portable Trailer-Mounted TIER4 Final (20-1210kW)**

- **Centrifugal and Axial Fans**
- **Heavy Industrial, FD & ID, and Custom Fans**
- **Fiberglass Fans, Pressure Blowers, & Ventilators**
- **Silencers/Flex Connectors/Dampers/Heaters**
- **OEM Wheels, Cones, and Replacement Parts**
- Complete **Rebuilds, Retrofits, Field Services**

- **Metal & Rubber Expansion Joints**
- **HRSG Penetration Seals**

- **Wastewater Treatment Systems**
- **Membrane Filtration & Demineralizers**
- **Deaerators**—Counterflow, Parallel, Vacuum
- **Stormwater & PFAS Treatment Systems**
- **Dissolved Air Flotation (DAF) & Clarifiers**

- **Heat Recovery Steam Generators (HRSG)**
- Fired Packaged **Watertube Boilers**

- **Air Cooled Condensers & Heat Exchangers**

Solar Turbines

A Caterpillar Company

- **Gas Turbine Generator Systems (4 - 40MW)**
- **Cogeneration, CHP, Combined Cycle Plants**
- **Mobile & Modular Power Plants**
- **Hydrogen, Biogas, & Landfill Flexibility**

- **Boiler Installation, Repair, & Rental Services**
- **Turn-key Mechanical Construction Services**

- **Turn-Key Wastewater Treatment Systems**
- **Bottom Ash & Fly Ash Upgrades/Retrofits**
- **Dry Sorbent Injection (DSI) & ACI Systems**
- **CCR & Ash Pond Remediation**
- **UCC® WWT Chemicals & Injection Skids**

- **Travelling Water & Bar Screens, & Trash Rakes**
- **Condenser Tube Cleaning Systems**

- **Power Burners**—Utility, Packaged Boiler, CFB
- **HRSG Duct Burners** and Control Systems
- **Ignitors, Flame Scanners, OEM Burner Parts**
- **Burner Upgrades, Retrofits, Turn-key Installations**

EQUIPMENT & SERVICES

- Activated Carbon Injection (ACI) Systems
- Aeration Systems
- Air Cooled Condensers (ACC)
- Air Preheaters
- Ash Conveying & Handling Systems
- Ash Conveying System Replacement Parts
- Baghouses & Bag Filters
- Balance of Plant Engineering Services
- Battery Storage Systems
- Biological Treatment Solutions
- Boilers: Fired Watertube, Modular, Waste Heat, Package
- Boiler Rebuilds & Upgrades
- Boiler Rentals
- Blowers - Pressure
- Burner Parts - All Manufacturer
- Burners - Power & Low NOx
- Burner Management Systems
- CCR Pond & FGD Purge Water Remediation
- Cogeneration Systems
- CHP Solutions
- Condenser Tube Cleaning Systems
- Construction Services
- Deaerators & Replacement Parts
- Deaerator Trays & Spray Valves
- Demineralizers & Ion Systems
- Dewatering Systems
- Dissolved Air Flotation (DAF)
- Dry Cooling Systems
- Dry Sorbent Injection (DSI) Systems
- Duct Burners—HRSG
- Dust Collectors—Dry & Wet
- Expansion Joints—Fabric & Metal
- Engineering & Design Services
- Evaporators & Concentrators
- Fans (FD, ID, Centrifugal, Axial)
- Fan Rebuilds & Upgrades
- Fan Silencers, Dampers, & Heaters
- Flame Scanners for Burners
- Gas Turbine Exhaust Expansion Joints
- Gas Turbine Inlet & Exhaust Systems
- Generators - Mobile & Modular
- Gas Turbine Generator Systems
- Heat Exchangers (Plate, Shell & Tube)
- Heat Recovery Steam Generators (HRSG)
- HRSG Penetration Seals
- Ignitors for Burners
- Leachate Evaporation Systems
- MBR Wastewater Systems
- Oil / Water Separators
- Renewable Energy Solutions (Biogas & Landfill Gas)
- RO Membrane Filtration
- Screens: Raw Water Intake, Trash Rake
- Spark Ignited & Diesel Generators
- Steam Turbine Generator Sets
- Steam Turbine Mechanical Drives
- Stormwater Treatment Systems
- Turbine Oil Skids
- Turbine Piping Systems
- Wastewater Treatment Systems
- Water Treatment Systems
