

# SMOOTH CLEAN SEWING

## Lily White (ISO-22)

### Clear Stainless Sewing Machine Oil

- Dyno Lily White (ISO-22) low viscosity crystal clear oil is a highly refined, consistent viscosity and non-detergent mineral oil (other viscosities available upon request).
- Ideal for sewing and textile machinery and parts. Specially formulated for use in high speed sewing machines.
- Colorless and stainless, Dyno Lily White oil inhibits rust and controls oxidation.
- Excellent for use in applications where the oil may come into contact with fabric.
