PASTOR'S REFLECTION

The presence of God is everywhere, so present that we can easily miss it. It's like putting sugar into a glass of water. Once dissolved, the sugar can't be seen but it is still in the glass. God is present in our waking, sleeping, eating, working, hurting, dying, playing, shopping, sitting, standing and breathing. Sorting out the voice of God among so many competing voices in our lives often takes another person to point the way; like Eli, directing Samuel or John the Baptist directing his disciples' attention to Jesus.

Two of John's disciples began to follow Jesus hoping to learn more about him. They must have invaded Jesus' personal space because he stops and asked the disciples, "What are you looking for?" They wonder where he is staying and Jesus responds, "Come and see." Rather than finding a place to stay, they found a home in Jesus. The disciples knew they had found what they were looking for, the Lamb of God, the Messiah.

When we foster a relationship with Jesus we are truly home. In Him we discover our true self and the call that God has placed in our hearts. We can always find a resting place in the heart of Christ. At the same time, Christ seeks to dwell in our hearts. That is why it is so important to remember what St. Paul points out in his letter to the Corinthians. He says, "Your body is a temple of the Holy Spirit." In baptism we are anointed with the Oil of Chrism, the oil of the Holy Spirit and we are dedicated as temples of the Spirit. Like sugar in water, we may not see it or recognize it—but this special consecration is still present.

Think for a moment about your body and what goes into your body, the food and the drink you consume. What goes into your body as you watch TV or surf the internet? What kind of language comes from your mouth or what thoughts do you entertain in your mind? Now recall the truth that at every moment of your life, God is dwelling within you.

St. Paul doesn't harp on rules or laws concerning the moral life, he approaches the question of immorality by recalling the dignity of the body as a temple of God's Spirit. If I eat or drink too much I am desecrating God's temple. If I view pornography or gossip or use foul language I am not honoring the dignity that is mine as a child of God.

Does the thought of God dwelling within you embarrass you? Then it's time to make a change in life. If the thought of God dwelling in you challenges you to do better, then it is time to act. If the thought of God dwelling within you stirs joy and peace within you then you must share the life of Christ your experience with others.

Like John the Baptist and Andrew we cannot simply keep our encounter with Jesus to ourselves...it is meant to be shared so that others can come to know the gift we have received. This week don't forget to listen for God's voice. As Rabbi Abraham Heshel notes: "The way to God is the way of God."

Respect Life January 22nd Day of Prayer for the Legal Protection of Unborn Children. Prayer for an End to Violence... God of life, source of hope, the violence within our world, our communities, our families, indeed our very selves, is destroying Your creation. Make still the restless spirit within me that is self-seeking. Stir within my heart a renewed Spirit of reverence, respect, and reconciliation. In union with the Precious Blood of Jesus give me the strength to break the cycle of violence by realizing that peace begins with me. Amen.

The Miraculous Medal Novena at Emmanuel - The Miraculous Medal Novena has been a part of the devotional life of Emmanuel Catholic Church for over 50 years now and we invite you to join us! The Novena is every Tuesday from 7- 8PM in Emmanuel church. The Novena includes Exposition, Adoration, Benediction, a homily and the opportunity to go to Confession and receive Communion and of course we also pray the Miraculous Medal Novena!

The design for the Miraculous Medal was entrusted to St. Catherine Laboure in 1830 by the Blessed Virgin Mary herself. Great graces were promised to those who devoutly wore the medal. The first medals were made in 1832 and almost immediately the blessings Mary had promised began to shower down on those who wore her Medal. Devotion to Mary spread like wildfire and millions of medals were made in just a few short years. The devotion continues today.

From the Joyful Noiseletter:

"Darkness cannot drive out darkness; only light can do that.

Hate cannot drive out hate; only love can do that.

I have decided to stick to love. Hate is too great a burden to bear."

Race Listening Circle: Thursday, January 21

How does fear motivate us? Change our perceptions? Cause us to think about others?

Join your fellow parishioners for a virtual St. Francis Listening Circle on Race. January 21 at 7:00—8:30 p.m.

We'll watch a portion of the "Slavery By Another Name" documentary as an introduction to racial tensions (approx. 35 minutes), then reflect on fear and its role in our thoughts and actions. "Slavery by Another Name" is based upon the best-selling book by Douglas A. Blackman. It tells the story of a long-forgotten period of American history when Blacks were no longer slaves but still not fully free. We will hear the stories of African Americans who were repeatedly bought, sold and coerced into doing the bidding of their white masters. The PBS documentary can help deepen our understanding of the racial tension and violence plaguing our country.

To RSVP for the session and receive the Zoom link, contact meghann.naveau@gmail.com

Offertory Contributions: If you would like a statement of your 2020 contributions to Holy Trinity Parish, please call Judi at 228-1223 or email business manager at holytrinity@gmail.com. Judi is in the office until noon Monday through Thursday and until 11:30 on Friday.

Parish Life Center—Capital Campaign Update. Thank you to all parishioners who have made a pledge to our campaign. To date we have pledges for \$664,796! We've reached our original goal of \$650,000 which makes our stretch-goal of \$750,000 all the more attainable. The stretch goal will help us balance rising costs due to an increase in square footage for the building, Covid shortages and project delays. If you have not yet made your pledge please do so. With your help we are building for the future on the foundation of our past!
