Director's Corner

Hello GWRRA Members

Hurray, the weather is finally cooler so we can ride our motorcycles and enjoy the outdoors!!! I hope you do have some time to participate in these FUN activities!!!

It's almost here!! That right...The GWRRA OK District Rally is almost here. The dates are October 27, 28, & 29, 2022 at City Central in Ponca City. We are planning a lot of neat events/activities and a whole lot of surprises. If you have not turned in your pre-registration and made your hotel arrangements, you are going to miss out. And what a better way to celebrate Halloween....cooler weather, being with friends, participating in activities we all like to (e.g., riding, contests, dress competitions, and etc.), eating ice cream and other foods and maybe attending some training or seminars. Of course, we will have a lighted parade and bike show. Don't forget to take care of the paperwork and get your rally pre-registration and hotel arrangements made today.

Preregistrations are due October 15th. And if you like to dress up for Halloween be sure to bring your special costume. It will be fun trying to guess who is behind that Halloween mask.

Regarding the hotel reservations for the OK District Rally, the Fairfield Inn may not have reservations available for our GWRRA group. However, the Comfort Inn (3101 N. 14th St) is just down the street from the Fairfield Inn and they have available rooms. Their phone number is 580-765-2322 or 580-762-1981.

I sure hope to see all of you at the OK District Rally this year. And I hope you have safe travels wherever you may go!!!

Until next time,

Carol Murphy
Chp **K** Director

ASST CHAPTER "K" DIRECTORS' THOUGHTS

John & Sarah Hoogendoorn
Chapter **K** Assistant Directors

To our Friends in GWRRA.....

We won't be able to say this much longer. Hopefully we will still be able to meet with our Friends of GWRRA. This has been the biggest disappointment I have with the changes taking place. We will miss seeing everyone, but maybe we will still be able to gather at the meetings depending on our choice of groups we join. One thing for certain there will be a void in our lives, but we plan on filling it with another organization but time will tell what we will settle in with.

Our OK District Rally is very quickly coming to actually happening. All the planning and time spent on projects will make it all worthwhile. Of course, I guess along with all the planning and projects, my main fear is that we will either have forgotten an important detail or major part of something. BUT I do have faith that everything will happen as we have planned. It has been fun getting ready; I guess I am ready to see it happen!!! Carol Murphy has been working so hard on all those details I just want it to go off as planned. Would you do us a favor, offer to help if you see a need. It will be greatly appreciated!!!!

Hope you have your preregistration in for the Rally, October 15 is the deadline. After that it will mean paying extra for registration. Our Rally has several new activities in having FUN, plus \$\$\$\$\$. Everyone will need to be present to have your chances in sharing the \$\$\$\$\$. We hope to see all there!!!!

John and I would like to leave you with our parting words ———

LIFE IS A JOURNEY.....ENJOY THE RIDE!!!!

SAFETY IN RIDING

T-CARE

To have a safe ride and trouble free trip, a good T-CLOCS inspection is required to make sure your motorcycle is in top condition. As you already know, T-CLOCS is a simple acronym used to remember motorcycle components that should be examined during a pre-ride inspection. The components are **T**ires and wheels; **C**ontrols, such as levers, throttle, and switches; **L**ights and other electrics; **O**ils and other fluids; **C**hassis, suspension and other drive-line components and finally, **S**tands.

Since we have a T-CLOCS for our motorcycles, lets have a checkoff for the rider too and we can call it;

T-CARE

T—**Training.** Develop the knowledge and skills to ride safely and handle unexpected situations through class room training and supervised practice sessions. Fortunately, we have many experienced and trained riders in GWRRA to help us develop safe riding skills. The GWRRA Levels program is a good way to be recognized and be acknowledged for being a trained, safe rider.

C—**Conditioning.** Fatigue is a major factor for your safety during a ride. It's hard to stay alert and focused to what's going on around you to make quick and correct decisions when fatigue sets in. It's easy to say "get some exercise and lose that weight," but reality usually dictates otherwise. We all know our limits so take a break if you find yourself getting fatigued. When riding in a group, if your tired, call for a break. I guarantee that someone else in the group is tired also and will be grateful for a rest stop. As we grow older, we may find that we are no longer bullet proof and may require medications to stay In a healthy condition. If you find yourself losing focus and becoming fatigued due to a medical condition, take a break or call for a break to medicate and recover.

A—**Attitude.** The gray matter between your ears is another major factor for safe riding. Don't ride when you find yourself distracted from the job at hand. If you're angry or otherwise distracted, stop, collect your thoughts and get in a good place mentally. Stay focused and SEE (Search, Evaluate, Execute) method to stay aware of any situations around you so you can react quickly and safely. If you have a co-rider or are in a group, think of the others around you to keep them safe also.

R—**Riding Risks.** There are many factors that add to the risks of riding a motorcycle. Traffic, weather, road conditions, directionally challenged (LOST), fatigue, experience, skill, attitude, etc. are all part of conditions that can affect safe riding conditions. When planning a trip, keep in mind a plan to reduce risks as much as possible. Even when just riding to the store, wear a helmet, boots, gloves, layered riding clothing, and carry a first aid kit, tools and a cell phone.

E—**Expectations.** The GWRRA motto is Friends for Fun, Safety, and Knowledge. We have a lot of fun riding with our friends and welcome all who want to ride with us. We want everyone to enjoy handle bar therapy with us and to arrive safely to the end of the ride. This just doesn't happen, it takes a lot of hard work by a lot of volunteers in GWRRA to live up to this motto. So, commit to riding safe, keep enhancing your skills and knowledge and someday, you too can be a volunteer to help others to have safe riding fun with us.

What's Cooking in Chapter K's Kitchen?

INSTANT POT KALUA PORK

This Hawaiian style pork is easy to prepare, with only 4 ingredients and a hands off cooking method. And it tastes amazing! It will soon become a family favorite

Ingredients:

- 1 C Chicken Broth
- Pork Shoulder (see note at end)
- 1 tsp red Hawaiian Sea Salt **per pound** of meat
- 1 tsp Hickory or Mesquite flavored Liquid Smoke **per pound** of meat

Instructions:

1. Pour the Broth into the bottom of the Instant Pot.
2. Trim off excess fat of the Pork Shoulder. Poke the Pork Shoulder 6-8 times with a fork. Rub the Sea Salt all over the Pork. Place the Pork inside the Instant Pot. Dump the Liquid Smoke over the top of the Pork.
3. Cover the pot and secure the lid. Make sure the valve is set to sealing. Set the manual/pressure cook button to 20 minutes **per inch of thickness** of the meat. So if your Pork Shoulder is 4-inches thick at the thickest part, you'd set the time to 80 min.
4. When the time is up allow for a full natural pressure release (about 20 more minutes). Remove the lid when the pin drops.
5. Place the meat on a large cutting board and shred. I like to use gloved hands and just do this part with my fingers. Others use forks, shredding claws, or even a hand mixer.
6. Pour the liquid from the pot into a separate container like a glass measuring cup. Add the shredded Pork back into the Instant Pot. Pour some of the liquid over the top so that keeps the Pork from drying out.

NOTES:- PORK: For pulled pork, the standard rule of thumb is one-third to one-half pound of meat per person. When cooked and shredded, pork shoulder will lose around 30% of its weight. Use pork shoulder (also known as Boston Butt or Pork Butt). I have also used a pork picnic roast or pork blade.

SLOW COOKER INSTRUCTIONS:- Follow instructions 1 & 2. Cover the pot and cook on LOW (if using the Instant Pot slow cooker function then cook on "more") for 8-12 hours depending on how big the pork shoulder is and your individual slow cooker. (If it's not tender, it's not done). Then follow instructions 5 and 6.

Red Hawaiian Sea Salt: - You can buy this online or some grocery store carry it. I have also used Pink Himalayan Sea Salt which can be found at most grocery stores (including the bulk bins at Winco).

Liquid Smoke: - To add that smoky flavor. Found in my grocery store next to the barbecue sauces. For this recipe I prefer hickory or mesquite flavored liquid smoke.

BROCCOLI SOUP

INGREDIENTS:

- 2 C Broccoli Florets
- 1/2 C dairy free Milk
- 1 C Chicken Broth
- Salt & Pepper, to taste

INSTRUCTIONS:

1. Boil Broccoli in a pot for about 7-10 minutes or until tender.
2. Drain water and add broccoli to a blender along with the Milk, Chicken Broth, Salt & Pepper.
3. Blend. Then, add mixture back to the pot and heat until warm to your liking.
4. Serve and enjoy with bread and crackers.

What's Cooking in Chapter K's Kitchen? (Continued)

APPLE CIDER BEEF STEW (Instant Pot or Slow Cooker)

Ingredients:

- | | |
|---------------------------------------|--|
| 2 Tbsp Canola Oil | 2 Tbsp Apple Cider Vinegar |
| 1 3/4 lbs Beef Stew meat | 1 medium Onion, diced |
| 3/4 tsp dried Thymes leaves | 3 medium Potatoes, peeled & cubed |
| 1 tsp Black pepper | 3 ribs of Celery, sliced or diced |
| 2 tsp Kosher Salt | 4 medium Carrots, peeled, sliced or dice |
| 2 C Apple Cider or Apple Juice | 1/4 C Flour + 1/4 C Water |
| 2 C Water | Salt & Pepper |
| 2 Tbsp Better than Bouillon Beef Base | |

Instructions: (Instant Pot)

1. Turn instant Pot to sauté setting. When display says HOT add in the oil and swirl it around. Add in the Beef Stew meat in one layer and brown on each side for a couple of minutes. You may need to do this step in batches. Sprinkle in the Thyme leaves, Pepper, and Kosher Salt and stir to coat.
2. Pour in the Apple Cider, Water, Better than Bouillon, and Vinegar. Scrape the bottom of the pot so that nothing is sticking. Add in the diced Onion.
3. Cover Instant Pot and secure the lid. Make sure the valve is set to sealing. Set the manual/pressure cook button to 15 minutes. When time is up let the pot sit for 5 minutes and then move it to venting.
4. Remove the lid and add in Potatoes, Celery, and Carrots. Cover Instant Pot and secure the lid. Make sure the valve is set to sealing. Set the manual/pressure cook button to 10 minutes. When time is up let the pot sit for 10 minutes and then move the valve to venting. Remove the lid.
5. In a small bowl whisk together the Flour and Water until smooth. Turn the Instant Pot to sauté setting. Stir Flour mixture into the pot and let the stew thicken for about 2 minutes.
6. Add a couple of pinches of Kosher Salt and Pepper (add to taste). Ladle into bowls and enjoy.

INSTRUCTIONS: (Slow Cooker)

1. Heat PAN ON THE STOVE OVER MEDIUM HIGH HEAT. Add in the Oil and swirl it around. Add in the Beef Stew meat in one layer and brown on each side for a couple of minutes. Sprinkle in the Thymes leaves, Pepper, and Kosher Salt and stir to coat and season the meat. Add the meat into your Slow Cooker.
2. Add in the Apple Cider, Water, Better than Bouillon, and Vinegar, diced Onion, Potatoes, Celery, and Carrots. In a small bowl whisk together the Flour and Water until smooth. Stir the Flour mixture into the Slow Cooker.
3. Cover Slow Cooker and cook on LOW for 6-8 hours, or until Beef and Vegetable are tender.
4. Add a couple pinches of Kosher Salt and Pepper (or add to taste). Ladle into bowls and enjoy.

October 2022

Thanks to our Chapter Directors

Fall Foliage is here

We love October because you can get on your motorcycle and go out and see some great colors in the trees. We here in Oklahoma are lucky enough to be able to have an abundance of locations that have great "Sherwood Forest". Summer is coming to an end and for October we will see our weather get down to a normal temperature for us to really ride to a lot of great places.

Chapter Visitation

We were lucky enough to visit Chapter E this month over in Tulsa, they had 16 members and what we talked about mostly was what will happen to their chapter at the end of the year. We know that they will still be together and have great fun.

Kansas District Rally

We had a great time on Sept 9th and 10th at the Kansas district rally up in Independence, Kansas. They had over 70 members from Oklahoma, Texas, and Kansas. The weather was spot on for riding and the food was so good. Kathy Chestnut and her district team really did a good job in making each day fun for all.

Thanks to all our Oklahoma Chapter Directors

This month we would like to celebrate all our chapter directors that have been such a valuable part of each chapter. Even though we are not a formal organization we still can step up and recognize those individuals that have made a difference in our chapters. Shawn and I want to especially recognize our chapter directors.

Kay Smith, Chapter Director for OK-B Shawnee, Ok

Don Ferry Chapter Director of OK-E Tulsa

Bill and Carolyn Duvall, Chapter Directors for OK-J Edmond

Carol Murphy, Chapter Director for OK-K Ponca City, Ok

Max and Mary Rowlett, Chapter Directors for OK-L Lawton, Ok

Ken and Sue Fern Chapter Directors of OK-P Claremore, Ok

Jim and Vicki Cook, Chapter Directors of OK-X Stillwater, Ok

We also want to thank John and Sarah Hoogendoorn who were our district assistant district directors for Oklahoma. Thanks for all that you have done.

Please remember that we still will be conducting our district rally on October 27th thru 29th in Ponca City. It will be a fun time and know that you will help end the GWRRA rally life with a bang. Please turn in your registration so we can get you on the list.
