

It's all about the curves

This classic Lance® French curve (No. 17 Rule style) is made of the highest quality rigid plastic and is slightly tinted for easy visibility on white surfaces. Strategically placed positioning holes help make it easy to use.

Approximately 9" long, Lance® French curve is individually packaged for easy display.

FC-1-LAN

**INDIVIDUALLY PACKAGED
FOR EASY DISPLAY** ▶
The slight tinting of the curve
shows clearly through the
transparent film of the display
package.

*** ALSO AVAILABLE IN ALUMINUM***
