FRIENDS OF ADVANTAGE

Strengthening our community, One person at a time

WHAT IS ADVANTAGE?

Advantage Behavioral Health Systems is the largest provider of behavioral health, developmental disability and alcohol and drug treatment services in northeast Georgia.

Advantage serves over 12,000 clients per year in the following ten counties: **Barrow, Clarke, Elbert, Greene, Jackson, Madison, Morgan, Oconee, Oglethorpe, and Walton.**

Advantage accepts anyone regardless of ability to pay, making us the premier organization for the underserved in northeast Georgia.

WHAT IS THE PURPOSE OF FRIENDS OF ADVANTAGE (FOA)?

More than just supporting programs, FOA supports people; in the last several years, we've helped clients meet unexpected financial and personal needs.

In addition, FOA provides funds to meet small needs for departments and the organization not covered by regular budgets. For example is the Youth Services Transportation Fund. This allows staff to provide transit for kids to attend special events and services.

We are always looking for more support from partners in the community. There is an ongoing drive for toiletries for those we serve through the Homeless Day Service Center.

We invite you to attend, sponsor and/or volunteer for Mental Illness Awareness Week October 1-7, 2017.

CURRENT PROJECTS

FOA is now working to build funds for the following program areas:

A Clubhouse for Peer Recovery and Psychosocial Rehabilitation

The Clubhouse is a concept that will offer a place for individuals with severe and persistent mental health to attend Adult Mental Health Day Programs that provides sufficient space to hold group meetings, individual treatment, serve as a work setting for jewelry making and therapeutic activities.

Playground at the Pavilion

The future location of The Advantage Pavilion at 240 Mitchell Bridge Road will serve youth as well as adults seeking Behavioral Health care. The property offers us space to include an outdoor playground area for the children we serve. Chris Evans of E&E Architecture has generously offered his time and talent to design the space. We need you to help us bring his vision to fruition. We appreciate donations of any amount. We will include recognition in the playground art of anyone donating $500 or more.

It takes a village...
...to address a need.
