### COVID-19 Continues

COVID-19 continues to spread and affect every aspect of our lives. The Governor has now announced his plan to start to reopen the State and hopefully start getting our lives and economy back on track. So, hopefully we will be able to get back together by the end of May.

We did have a chapter Zoom meeting in April. There were six of us who met online and had a chance to visit together. It was good to be able to see each other and catch up, even if it was online. We will try to have another one sometime in early May and hope you will be able to join us. We spent about 20 minutes or so just talking together and had a really good time.

While the Governor is going to begin allowing some businesses to open on May 1<sup>st</sup>, there will still be restrictions on social distancing and gatherings. With most of our members being in the high-risk category, we will not have any dinner rides or activities until our monthly gathering on May 28<sup>th</sup>. By that time, we will hopefully have a good feel for whether there has been another spike in cases due to increased public movement and how safe it will be for us to gather as a chapter.

I know our procedure has always been that we plan activities and whoever is able to attend is great, and for those who cannot attend, that is okay as well. However, to schedule activities and, in a sense, ask people to possibly put themselves at risk seems irresponsible. It's also not appropriate to schedule things that we know a large part of our membership cannot, and generally should not, attend. These are the reasons we are not going to schedule anything in May before our gathering. There are many who believe we are reopening society too soon and that the risk is too high. We want everyone to be safe and well, and that is more important than going on a ride together.

Please know you are all in our thoughts and prayers. We are looking forward to seeing all of you again but we want to do it in a safe and responsible way. We hope to see you again on May 28<sup>th</sup>!

# HAPPENINGS FROM YOUR CHAPTER B

## This note from our Ladies Day Out Coordinator

The Boomerang ladies had a very nice outing on the 12th.(March) Four of us meet at the Owl Shoppe on Main street in Shawnee for a unique lunch, (I had lobster bisque which I've never had and it was scrumptious!) The weather was perfect, so after lunch we walked to 2 antique/thrift stores and saw some interesting stuff. It was also productive as we found some toy motorcycles for the circus diorama. We also visited Coffee N Crafts which was right across the street from the restaurant. For \$5 you can purchase an 8x10 canvas to paint on and they provide the paints. And of course they sell coffees & pastries. I think this is what we may do for our next outing. Don't know for sure when that may be. Hard to tell at this point. But this gives you all something to think about and I'm always open for suggestions. I would like to see more of you ladies joining us, you know what they say, the more the merrier. Dana Taylor

# BECKY'S RECIPE BOX

## Mom's Goulash

- ½ lbs of macaroni
- 1 ½ lbs of ground beef
- 1 large onion diced
- Garlic salt, pepper, chili powder, hot sauce to taste.
- 2 (14.5 oz ) cans whole stewed tomatoes undrained
- 2 tablespoons ketchup
- Tomato juice as needed

### Directions:

Cook the macaroni according to package directions. While it's cooking , brown the ground beef and onion together in a extra large skillet or in a dutch oven . drain and season with spices to taste. In a large bowl , mash tomatoes with potato masher and add to beef along with the ketchup.

Drain Macaroni and add to the beef mixture, stirring well.

Taste and add additional seasoning as needed. I didn't need to add any tomato juice to mine. But if you like yours very juicy you can add as much tomato juice as you like, which I recommend because the noodles tend to soak up all the juice with time.

“We really appreciate you recipe each month.”
