Dear Bruce & Janie,

Thank you for your contribution toward the success of our fundraiser on April 23, *Art to Heart-A Musical Evening to Benefit Bread & Roses!*

We appreciate your support of our mission and generous gift of [redacted] to our *Fund-A-Need* drive.

Our work truly does make a difference. Your contribution is already being used to help so many in the Bay Area, like those at BOSS South County Homeless Shelter in Berkeley, who said:

"The benefits of the Bread & Roses concerts cannot be exaggerated. Music is in many ways the most effective form of nonverbal communication we can offer. Our residents come to us in crisis and are often unable to see a light at the end of the tunnel. Every chance we have to lift up their spirits, to show them people care about them, to lighten the load, even for a brief time, is a special gift. The quality performances you provide offer hope, healing and joy. The smiles and laughter on the faces of the women and children who are able to attend these performances say it all: you are having a positive impact on their lives."

On behalf of all those who will be touched by your generosity in the coming months, thank you!

Sincerely,

Cassandra Flipper
