Chapter B Happenings

It has been an amazing summer. Well, at least weather-wise. We've only had one day when we hit 100 degrees and have had many days in August with high temperatures in the 80s or low 90s. It has been incredible riding weather. It's almost as if we are being teased with a very mild summer while we are all afraid or unable to get out and travel.

We have taken some time off as a chapter to try to allow the pandemic to fade, but that is not showing any signs of happening any time soon. So, at our monthly gathering it was decided to get out and have a dinner ride again. We are currently working on getting that scheduled, but our schedule is ridiculously busy right now. Once we get something set up, we will send out an email to everyone. We're hoping for September 10th or possibly the 17th. It will be nice to get out and go as a group again, assuming we can find a suitable location.

We had a great turnout for our August gathering. We had 20 Chapter B members present and had a good time. We know that not everyone is comfortable getting out yet and we respect that decision for those who are still choosing to stay in.

At the gathering, Johnie announced that we are stepping down as Chapter Directors at the end of the year. After 11 consecutive years as an officer at the chapter or district level, and for a few years both simultaneously, we are ready for a break. We have great people in Chapter B and several who are capable of stepping up and taking over the reins. If you have any interest, you can let us know or reach out to our District Director, John Irons, as he will be the one appointing the new Chapter Director(s).

Stay safe, and we look forward to seeing you soon!
