

BOILER IRONS

- Boiler complete with professional iron
- Powerful and dry steam at the touch of a button
- Four level safety system
- Water waste system
- Automatic shut-off – with light indicator A sensor automatically detects when the water level is low, and shuts itself off. An LED light will come on, telling you it is time to refill the tank.
- Pressure gauge All Silverstar boiler irons have a built-in pressure gauge so you don't have to guess what the operating pressure is. This is an important safety feature, and one you will not want to live without once you have used it.

SR-5800 / SR-5800L

SR-5800

Voltage: 110V or 220V
Boiler Power: 1300W
Iron Power: 1000W
Water Capacity: 2.3 L.
Up to 1.5 hrs of continuous steam
Steam Pressure: 2.5 to 4 bars / 36 to 57 psi
Weight: 18.7 lbs (8.5kg)
Size: 16.3" x 9.4" x 11.8" (415 x 240 x 300mm)

SR-5800L

Voltage: 110V or 220V
Boiler Power: 1500W
Iron Power: 1000W
Water Capacity: 3.5 L.
Up to 3.0 hrs of continuous steam
Steam Pressure: 2.5 to 4 bars / 36 to 57 psi
Weight: 20.9 lbs (9.5kg)
Size: 16.3" x 9.4" x 14.0" (415 x 240 x 355mm)

SR-5900

SR-5900

CONTINUOUS WATER FEED
Voltage: 110V or 220V
Boiler Power: 1500W
Iron Power: 1000W
Steam Pressure: 2.5 to 4 bars / 36 to 57 psi
Weight: 35.2 lbs (16kg)
Size: 16.5" x 9.8" x 12.6" (420 x 250 x 320 mm)

IRONING TABLES

- Strong built in vacuum motor that dries the fabric, ensuring a clean and crisp finish to your garment.
- Foot Pedal Vacuum Suction Control
- Large 55 x 16.5" Vacuum Ironing Board for increased productivity

SIT-200C

Complete Set-up with
Iron Power: 1000 W
Boiler Power: 1300 W
Table Vacuum Fan
55.5" x 16.5" x 32.7"
(1410 x 420 x 830 mm)

- Folding legs allow you to adjust height of ironing board and fold up quickly and easily for storage
- Sturdy support for iron and boiler
- Lower garment shelf for storage while working

SIT-100C

Complete Set-up with
Iron Power: 1000 W
Boiler Power: 1500 W
Table Vacuum Fan
55.5" x 16.5" x 32.7"
(1410 x 420 x 830 mm)

STEAMERS

SR-5000

1300 watts
19 lbs (8.5 Kg)
17.7" x 11.0" x 13.8"
(450 x 280 x 350 mm)

STEAMERS

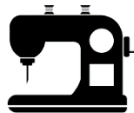

- Preheater allows quick heat up time (under a minute)
- 360 degree swivel casters for easy mobility
- Electrical parts approved by UL and CSA
- Automatic shut-off thermostat control
- Secondary fuse back up system prevents heat element burn out
- On/Off indicator light
- Solid brass heating element

SR-8000

1300 watts
19 lbs (8.5 Kg)
16.5" x 10.9" x 12.6"
(420 x 278 x 320 mm)
with clothes rack
