

LANCE® FASHION DESIGNER RULER KIT

Our black portfolio case features a lightweight textured exterior made easy to carry with sturdy flex handles. Complete with multiple compartments and secured with zippers, this case will keep your pattern designs and other sewing accessories together in one place.

LANCE® FASHION DESIGNER RULER KIT

KIT INCLUDES:

-  • Portfolio Case BCC-LAN
-  • 9" Classic Plastic French Curve FC-1-LAN
-  • 24" Aluminum Hip Curve HC-024-LAN
-  • 14" x 24" Aluminum L Square LS-024-LAN
-  • 18" Plastic Graph Ruler M-95R-LAN
-  • 12" Aluminum Armhole Curve FC-012-LAN

Our Lance® rulers are made of anodized, aerospace aluminum for greater clarity and durability. Lance® rulers are used in all major design studios in the US and internationally. Calibration lines and numbers are printed in large, clear characters for an easy-to-read experience.

You can be sure Lance® rulers are made to exacting and accurate international specifications. Our plastic French Curve (FC-1) is a classic standard which has been used for decades by leading designers. Our M-95R plastic Graph Ruler has both inches and millimeters for easy and convenient use.

** We can also customize the kits to suit your students and customers needs. Let us know how we can help. Our cases are also available for sale without any rulers. Contact us today for pricing.
