To Whom It May Concern:

My name is Jesse Luke, and I would like to introduce myself to you as an experienced career pianist and magician. I am currently seeking employment with clients seeking entertainment for parties, dinners, and other family, corporate, and special events. I offer more than 25 years of experience working as an entertainer, pianist, and roaming magician in restaurants, lounges and night clubs for corporate events, weddings, and other special occasions. I offer an extensive play list featuring a variety of musical styles and genres with over 5,000 tunes in my current repertoire.

My background includes 4 years with the United States Army band, where I traveled from Chicago to Korea performing swing, big band, and orchestral pieces. During this time, one of my duties was to play piano at parties and receptions for leaders and heads of state while they were visiting our country. I received classical training with Florence Place, a retired professor from The Juilliard School of Music. I have also trained with members of the Chicago symphony in both conducting and orchestral percussion. Among other awards and accolades, I was awarded the coveted "Gold Cup" from the National Federation of American Music Clubs, receiving their rarely-awarded "Superior Plus" rating in solo piano performance. As a magician, I offer over 5 years of professional experience entertaining all age groups. I enjoyed a three-year apprenticeship with the late New York City magician Bill Turbin, "The Great Turbino."

My more recent performance history includes entertainment every Friday and Saturday night at the famous Morgan House Tavern in the Berkshires for 4 years. I also entertained 4 to 6 nights a week at "All That Jazz," Korea's premier jazz club, while stationed in Seoul with the U.S. Army. I played with the house band, backing up various combinations of musicians during their tours through Asia. I also performed 5 nights a week at the Appomattox Run in Historic Colonial Petersburg, VA for 3 years. These are just a few examples of the many long-term employments I've enjoyed throughout my career as an entertainer.

Thank you very much for your time. Please contact me regarding references, booking, or pricing information at (413) 348-3666. I look forward to hearing from you soon.

Sincerely,  
Jesse Luke
