

AEROSOL SPRAYS CLEANERS, LUBRICANTS, ADHESIVES

CLEANERS

AlbaChem® PSR POWDER SPOT REMOVER

- Removes grease and oil stains from all fabrics.
- Does not contain any toxic chemicals.
- Spray On * Let Dry * Brush Off

GREAT FOR REMOVING "RINGS"
LEFT BY LIQUID SPOT REMOVERS

AlbaChem PSR Powder Spot Remover is designed to easily remove tough stains from all types of fabrics without harming delicate fibers. Unlike other powdered sprays, AlbaChem PSR does not contain any chlorinated solvents or other toxic chemicals. PSR has a low odor, will not "ring" and dries quickly. Use on silk, satin, cotton, wool, taffeta, polyester, blends and all other fabrics.

No. 1062 - Net Wt. 12.5 oz. (354 grams)

AlbaChem® CLEAR SCREEN™ SCREEN OPENER

- Opens Clogged Screen
- Leaves No Film
- Works on almost all inks
- Emulsion Safe
- Fast Acting

AlbaChem Clear Screen instantly unclogs any screen while you sit on the press. Dissolves all types of ink, fresh or old. It is great for spot cleanups in hard to reach corners. For use on photographic stencils or water soluble hand cut film only. Clear Screen works fast and efficiently to reduce downtime.

No. 1641 - Net Wt. 14 oz. (397 grams)

AlbaChem® WATER-BASED SCREEN OPENER

- Works on all water-based inks
- Opens Clogged Screens
- Works on almost all inks
- Fast Acting
- Leaves No Film

AlbaChem 1632 safely opens clogged screen of dried in water based inks. The foaming cleaner works fast without leaving any film or oily residue. AlbaChem water based Screen Opener may also be used to clean ink and dirt from printing presses.

No. 1632 - Net Wt. 19 oz. (539 grams)

AlbaChem® ZERO VOC SCREEN OPENER

- Opens Clogged Screen
- Leaves No Film
- Works on almost all inks
- Emulsion Safe
- Fast Acting

AlbaChem Z100 Screen Opener is a unique environmentally friendly formula that contacts no volatile organic compounds (VOC's). In addition, it works faster than traditional screen openers and has a lower odor. Use on photographic stencils or water soluble hand cut film only.

No. Z100 - Net Wt. 14 oz. (397 grams)

LUBRICANTS

AlbaChem® DRY SILICONE

- Long Lasting Lubrication
- Does Not Attract Dust and Direct
- Guaranteed Not to Stain Fabrics
- Prevents Friction and Heat Build-Up
- V.O.C. Compliant and many more

101 Uses! Textiles, Furniture, Machinery Automotive, Paper & Converters, Industrial, Mold Release Agent, Heat Sealing, Screen Printing.

No. 1654 - Net Wt. 11 oz. (312 grams)

AlbaChem® ALBA-5 LUBRICANT

- Precision Metered Oil Release
- Will not drip or run
- 100% Clear Lubricating Oil
- Great for Embroidery, Sewing and all textile machinery

Applies a drop at a time!
The unique metering system sprays one drop of oil each time you depress the button. Using the extension tube, the oil goes exactly where you want it. No excess oil is wasted. No stain causing drips.

No. 1605 - Net Wt. 6.84 oz. (194 grams)

AlbaChem® ZERO VOC DRY SILICONE

- Long Lasting Lubrication
- Does Not Attract Dust and Dirt
- Guaranteed Not to Stain Fabrics
- Prevents Friction and Heat Build-Up

AlbaChem Z200 Dry Silicone is a unique environmentally friendly formula that contacts no volatile organic compounds (VOC's). It dries fast leaving a fine coating of silicone. This thin film provides lubrication and rust protection without wetting the surface.

No. Z200 - Net Wt. 11 oz. (312 grams)
