CHAPTER J NEWSLETTER JUNE 2022

Our May meeting was smaller than usual. Seems there were a number of reasons. At any rate we enjoyed our gathering with Julie leading. We made a long table and the nine of us played CLR. There was lots of rolling dice and penny exchanges. We had fun trying to guess who the winner would be. Ramona and Kathleen went back and forth with Kathleen being the winner of 27 cents. Norm, the Smedley's and Duvall's won the Contingency prizes. The 50/50 drawing was made more exciting because Jesse had left his wallet at home and Ramona only had a dollar so Bill Duvall had loaned him \$4. with a high rate of interest. Wouldn't you know Jesse won the 50/50 and was able to pay off his debt before accruing any interest. It doesn't take much to entertain at Chapter J.

On Saturday, May 7th, six went to the Steam Engine show in Pawnee. One couple extend their ride by some 300 miles while the others went to Click's Steakhouse for lunch.

We decided on a dinner ride to Chili's Gill, 3580 S. Broadway, Edmond on June 2nd at 1230pm.

Our June Gathering in June is on the 16th and will be led by Jesse and Remona Chambers.

Ride Safe, Bill Duvall
